PARISH COUNCIL NOTES

The monthly meeting of the Parish Council was held on Tuesday I6th September in the Committee Room in the Village Hall.

Village Green drainage

Residents may have noticed that attempts have recently been made to initiate drainage work on the Village Green. However, the drainage experts called in by the Parish Council have advised that the tests carried out show that the ground is still too hard and that the work will have to be left until later in the year. The Parish Council very much regrets this delay but feels that it would be pointless to proceed with the work now as it would only damage the ground further to no good purpose. The situation will be kept under review and the work will be carried out as soon as this becomes practicable.

Access to Village Hall

As agreed with New Ideal Homes Ltd., the old access road to the Village Hall has now been handed over to them and the entrance has been blocked off. This will in due course be levelled and replanted, restoring this part of the Drift to its original state. Access to the Village Hall can now be gained from the new road constructed as part of the development on phases 5 and I2.

New starting time for Parish Council Meetings

It was agreed that for a trial period, and subject to review,

Parish Council meetings will in future begin at 7.30pm instead of 8.00pm.

The next meeting of the Parish Council will be held on Tuesday 2Ist October I980 at 7.30pm in the Committee Room, Bar Hill Village Hall.

CHESS CLUB

The Chess Club is back in session. We have moved to Wednesday night (7.30pm) which may be more convenient for some of you whom we have not seen before. Anyone is welcome, from beginner to experienced player. See you at the School.

At the Fete in September, Arthur Andrews, Bill Cruse and Mark Vigor took on members of the public who dared to challenge them. Also "The Turk" made his first appearance in the Village. Modelled on an Eighteenth Century chess playing machine, which was really operated by a cunningly concealed expert, our flimsy cardboard version looked rather like a customised Tardis. Fortunately it did not take off in the high winds!

M. Vigor, 2 Almond Grove
(C.H. 80288)

MAMA

Mama (Meet-a-Mum Association) is a national self-help organisation for mothers, a branch of which has started in Bar Hill. The general aim of the group is to bring expectant and new mothers together with those who have had some experience with the various problems which may occur with babies and young children. We are not trying to replace the professionals e.g. Health Visitors etc. but in joining together we can help beat everything that can blight a mothers first few months with a baby - from loneliness and depression to anxiety and fear. In an expanding community like Bar Hill we also hope to be able to help newcomers to the village to meet other people and make friends.

We meet once a month in the Health Centre for a cup of tea and a chat, but also we are willing to visit people at home to talk, in confidence, about anything they may be worried about or need to discuss with someone.

For further details ring Maria Long 8I705
Barbara Hastings 8I363

Next meeting: Health Centre
I7th October at 2.30pm

Welcome to our Harvest Festival Services, to our visiting preachers, and to the team of students from the Cambridge Federation of Theological Colleges who will be sharing in our work and worship for this academic year (i.e. to June 1981) at least. More details of them next month, but meanwhile a special welcome to the Revd. Martin Kettle, the new Chaplain at Ridley Hall who will be leading the team.

We are beginning a new chapter in working out helpful arrangements in the Church for Children and Young People on Sundays. Further details on the Church Notice Board or from Pat Staden, 8 Gladeside (Tel. C.H. 81115) for children and from Ron and Marilyn Meadows, 8 Almond Grove (Tel. C.H. 80270) for Young People.

We were glad recently to offer fellowship to the Religious Society of Friends and to learn something more of the experience of their way of worship.

BAR HILL CRICKET CLUB

As the season is now over it is time to give a brief summary of events since the Club's formation in February.

Since then we have played nineteen friendly games, of these we have won 13, drawn 1, lost 5, a very satisfactory result considering our inexperience at the beginning.

Now we must look forward to 1981 and the prospects of league cricket on Saturday's, plus keeping the friendly games going on Sunday's. For this to continue as a successful club we must ensure more participation from present members and hopefully sign on new members who will be more than welcome to join us.

I would like to remind members of our forthcoming AGM on October 21st at 8 pm in the Village Hall and respectfully ask all to attend this very important meeting, with an invitation to any person interested in playing cricket to join us on that date.

To finish off I would like to mention that a Dinner/Dance will be organised for later this year, when among other things the various trophies will be handed over to successful members, date for this function will be published in the next News Edition.
